

Register Your Bike For Free on Bikeregister.com

1. You can register your pedal cycle for free on Bikeregister.com

It is a national database that police can search, with all the data protection measures you would expect.

If your bike is stolen, this can also be marked on the database

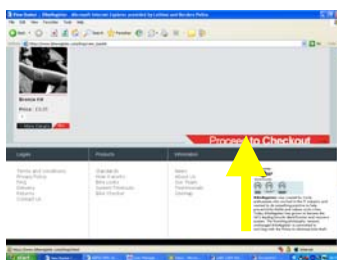

2. Enter Bikeregister screen and then click on the 'Shop' icon which is on the left hand side of the page and scroll down until you see the bike registration, which costs £0.00

3. Click buy.

4. In the shopping basket, you want 1 for £0.00.

5. Scroll to the bottom of the page and click - 'Proceed to Checkout'.

6. You are now at the start of the process, starting with your email address.

The better the description of your bike, all its parts, frame number, it gives a better search facility and information for you if your cycle is stolen.

Remember, the more bikes registered, the greater chance of a stolen cycle being found, because it is a national database. If you are buying a bike you can check the frame number for free on the website.
